EDUCATION SECRETARIAT

Dated 7th January 1949.

No. M. 11072—G. M. 51-48-1: In spite of a Press Note issued in August 1948 inviting the attention of the public to the rules relating to presentations of petitions, and requesting them to adhere to these rules and thus help Government in the discharge of their functions, Government observe that a large number of petitions on several matters are still being addressed directly to the Ministers. These petitions have to be sent to the concerned Secretaries who will have to send them to the Heads of Departments. These papers have to be worked up by the Heads of Departments in consultation, many times, with their subordinates and sent back to Secretaries to Government for obtaining orders of Government. This naturally involves much time and the object of the petitioners to get relief early is nullified and exactly contrary results follow.

Public are therefore requested not to address petitions direct to the Ministers except in cases where repeated attempts have not achieved the required result.

The Heads of Departments have been requested to attend to the prompt disposal of petitions and issue of endorsements.

Dated 11th January 1949.

No. M. 11347—G. M. 86-47-4. The following Circular letter No. 41-5-48—Public, dated the 14th June 1948 from the Secretary to the Government of India, Ministry of Home Affairs with the Rules for the use of the National Flag of India, is published for general information and guidance of the public:—

Copy of letter No. 41-5-48—Public, dated the 14th June 1948 from the Secretary to the Government of India, Ministry of Home Affairs, to all Provincial Governments/Chief Commissioners.

Use of the National Flag of India.

I am directed to state that the Government of India have been considering for some time the question of restricting the

use of the National Flag of India. While it was appropriate to use the Flag on all occasions during the struggle for freedom, it is felt that now that freedom has been won, there should be well defined regulations for the use of the Flag as is the practice in other countries. The Flag is the emblem of the Nation and it is essential that it should not be brought into disrepute by unregulated use.

2. The Government of India have therefore framed rules in consultation with Provincial Governments and others for the display of the Flag. These rules are contained in the Annexure to this letter. I am to request that necessary steps may be taken to enforce compliance with these rules and that steps may also be taken to give wide publicity to them for the guidance of the public.

ANNEXURE.
